- New employments,
- Payment Arrears as of 2024,
- Local Government Elections; preparations for the 2025 General Elections and
- Preparations for the 2027 African Cup of Nations (AFCON).

Revenues expected include domestic revenue projected to TZS 34.61 trillion equivalent to 70.1% of the total budget and 15.7% of GDP whereby,

- TZS 29.41 trillion to be collected by TRA,
- TZS 3.84 trillion from non-tax revenue to be collected by Ministries, Agencies, and Independent Departments,
- TZS 1.36 trillion from Local Government Authorities,
- TZS 5.13 trillion from Development Partners,
- TZS 6.62 trillion, borrowing from the domestic market.,
- TZS 2.99 trillion borrowing from external commercial sources.

Government plans to spend a total of TZS 49.35 trillion which includes:

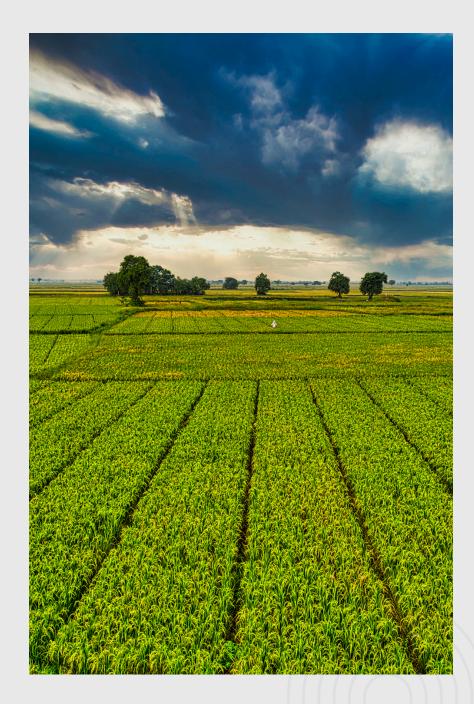

• TZS 15.74 trillion for servicing public debt and other consolidated fund expenses,

- TZS 11.77 trillion shillings for salaries, including recruitment and promotion of employees,
- TZS 2.17 trillion for railway, roads, water and REA funds,
- TZS 1.19 trillion to finance higher learning education and 107 tertiary colleges student loans, and the Fee Free Primary and Secondary Education Program.

The summary of Budgeted Revenue and Expenditure estimates is as shown on the table below:

Revenue Estimates	Amount
Domestic Revenue - Central Government Local Government Grants and Concessional Loans from Development Partners Domestic and External Non Concessioonal	TZS 33.25 Trillion TZS 1.36 Trillion TZS 5.13 Trillion TZS 9.5 Trillion
